

OVERVIE W

DANA EQUITY STRATEGIES

www.DanaInvestment.com

HERITAGE A strong family culture

THE WISE CHOICE

Since our founding in 1980, Dana has remained independent and Employee-owned. Our investment firm is built on trust, integrity, and professional experience.

QUALITY

Excellence in meeting client expectations

Dana strives to provide personalized client service and excellence in everything it does. We are uncompromising in our efforts to deliver superior results to clients.

EXPERTISE

Focus on what we do best

Dana has assembled an investment team with diverse skill sets and specialized knowledge. We are adept at navigating challenging market environments and developing customized solutions.

CONSISTENCY

Adherence to a uniform process

Dana implements a uniform investment process to minimize volatility and improve consistency of returns. We seek repeatable and predictable results to most effectively grow cumulative wealth.

www.DanaInvestment.com

DANA INVESTMENT A D V I S O R S

Dana Investment Advisors was built on the belief that adhering to a defined investment process allows our professionals to focus on the fundamentals of consistent outperformance through security selection.

- Founded in 1980
- Employee-owned
- Equity, taxable and tax-exempt fixed income, and ESG asset manager
- \$7.662 billion of assets under advisement as of December 31, 2021
- Headquartered in Brookfield, Wisconsin

We've never wavered from our goal of providing above-market returns while reducing volatility for our clients.

DANA EQUITY STRATEGIES

Investment Philosophy

We strive to generate excess *risk-adjusted returns* through a *consistent and disciplined* investment process.

DANA EQUITY STRATEGIES

Structural Risk Controls		Relative Valuation				
Idea Generation		Sector Neutral				
	Structural Risk Controls	Equal Weighting				
Fundamental Analysis		Position Size Limits				
Sell Discipline		Fully Invested				

Dana's sector neutral investment approach recognizes it is very difficult to predict future sector performance. Dana's Risk Approach: Structural Risk Controls are the groundwork for our repeatable and consistent investment process.

DANA EQUITY STRATEGIES

Structural Risk Controls		Valuations
Idea Generation Fundamental Analysis	Idea Generation (Quantitative Analysis)	Growth
Sell Discipline		Estimate Revisions

The idea generation phase leverages our propriety models to generate segmented data that efficiently focuses our research on improving or deteriorating trends within sectors, industries or individual companies. We feel this dynamic component is a key advantage and provides a platform that focuses our stock selection.
