Disclosure: As of {Date}, the depicted Strategy holdings are based on a model portfolio, not an actual client account. Individual client account holdings and allocations may differ from the model portfolio as a result of client-imposed restrictions, the timing of investments, the timing of executed trades by responsible third-party trader, market conditions, contributions, withdrawals and other factors.

Please note that model portfolio holdings and allocations are subject to change without notice, as we continuously monitor and adjust the model based on our investment strategy and changing market conditions. The information provided herein is for informational purposes only and should not be construed as investment advice or a recommendation to buy, sell, or hold any particular security.

All investments involve risk, including the potential loss of principal. Past performance is not indicative of future results. Investors should carefully consider their own unique investment objectives, risk tolerance, and fees before investing. For more information about our investment strategies, risks, and fees, please refer to our Form ADV Part 2A disclosure brochure, which is available upon request.
